Using the eventScribe® App for #CattleCon20

Make the Most of Your On-Site Experience!

- **Notetaking & Bookmarking**: Annotate directly on presentation slides and bookmark specific slides to view at a later time.
- **Personal Summary**: Notes and bookmarked slides can be viewed, exported as PDFs, or printed at any time.
- **Create & Share Schedules**: Attendees can schedule sessions and personal items, then sync with their own calendars!
- **Social Features**: Attendees can view and communicate with other app users, speakers, and exhibitors.

*Download before you go!* On-Site WiFi service can affect the functionality of the app.

1. **Download the eventScribe® App**

Scan the QR Code or go to the Apple App Store or Google Play and search for “eventscribe”

**INSTALL** and **OPEN** the eventscribe app, then look for your event icon or **SEARCH** for your event app by entering “CattleCon”

**CLICK** to launch your event’s app.

2. **Login to your event App**

Click on your event icon to login to your app.

First time users: Select “Create Account” and type the event code **BEEF20** to unlock the app. You will then be prompted for your name and email address.

Future Logins: Select “Login” and enter your username (your email) and password (emailed to you when you created your account).

3. **No mobile device? No Problem**

As long as you have an internet connection, you can take notes on presentations through your **laptop** via this link:
